Recommended machine weight and crane size

Accessorize your grab

Crane scale

Intermercato is world leading in weighing of hanging load. Our crane scales are based on intelligent technology - an advanced algorithm calculates the weight. It's the only RTT&E certified and legal for trade system in the world for hanging load in motion. Your success starts with Intermercato Intelligent Weighing Systems!

Excavator attachment

We have suitable attachments for all types of excavators. We can also deliver all our grabs and clamshell buckets complete with **hose kit**!

Rotator

Accessorize your grab with one of our rotators for cardanic or rigid mounting. We are also a certified dealer of Indexator Rotator Systems.

INTERMERCATO®

High performance lift and load attachments for Forestry, Transport, Construction and Recycling.
