

One of our most popular and well established attachments

The Intermercato T-Cut tree shear is suitable for tough jobs through its oversized construction. The cutting angle of the knife has been carefully tested to perfection.

KEY FEATURES

- Completely made of Hardox®
- For excavator attachments and tilt rotator
- 4-claw, cuts from both angles
- Cylinder with double piston rod seals for high pressures
- Double guide bars
- BWG-bushings with special alloy for extra durability

DEFINITELY A BEAST.
