Recommended machine weight and crane size

Accessorize your grab

Excavator attachment, rotator & scale

Accessorize your grab with an excavator attachment! We have suitable attachments for all types of excavators. We can also deliver all our grabs and clamshell buckets complete with hose kit!

Intermercato is world leading in weighing of hanging load. Our crane scales are based on intelligent technology - an advanced algorithm calculates the weight. It's the only RTT&E certified and legal for trade system in the world for hanging load in motion. Your success starts with Intermercato Intelligent Weighing Systems!

Accumulator, check valve and saw cassette

Can be equipped with accumulator from Parker and check valve. We can also deliver GX with saw cassette from Hultdins.

Intermercato is not only grapples - Explore our complete range of products on www.intermercato.com, or contact our proficient sales team.
